corporation to deliver any gasoline, distillate, f
fuel oils, benzine, naphtha, ether, coal-oil or any
other flammable liquid having a flash test below
one hundred degrees Farenheit, (closed cup tester),
in quantities of more than five gallons unless the
same be delivered to and stored in tanks construct-
ed and installed in accordance with " Regulations of
the National Board of Fire Underwriters for the
Installation of Containers for Storing and Handling
Flammable Liquids " Edition of 1917, three copies
of which "Regulations" are on file with the City
Clerk and are hereby made part of this ordinance
as if set forth in full therein.

Section 3. This ordinance shall be published
one time in "The Lodi Sentinel" and shall take
effect and be in force at the time and in the manner
prescribed by law.
